

THE ELS CLUB
DESARU COAST

Footgolf Local Rules

Greens

No play from the Golf Greens. Take a free drop to the side of the green, no nearer to the hole.

Bunkers

Please smooth out all footprints in the bunkers with your feet as you exit

Footwear

No football boots with long studs/cleats are allowed. Regular sports shoes or turf shoes should be worn.

Kicking

The ball must be kicked with the upper part of the shoe, not the sole – no pushing or scooping is allowed.

General Play

The ball should be played from where it lies at all times except if the ball goes into the water, long grass or scrub and is unplayable. The ball should then be retrieved carefully and placed within two steps of the point where it went into the area. ADD one shot penalty to your score for that hole.

Inclement weather

The siren will be sounded to warn players of the imminent danger of lightning strikes. Please go to the Academy Building or back to the Clubhouse.

For assistance, please contact golf shop at 07 878 0000.
